

**AgaTape is the laser distance meter for professionals**, with absolute precision up to 200 ft. (60 m). In addition to linear measurements, the AgaTape offers multiple functions, such as Phytagorean to measure inaccessible areas, timer delay and stake out for constant distances.

A complete device, with a 3 line illuminated LCD display and flip-out endpiece for accurate measurements from corners and edges.

Thanks to the IP54 class, protection against dust and splash water, against dust and splash water, AgaTape can be used in any situation and jobsite.

- **Absolute precision 1/16" up to 200 ft**
- **Smart features: Phytagoras, Timer, Stake-out**
- **3 line illuminated display**
- **Multifunctional end-piece**

Measurements from corner are now easier with the integrated flip-out endpiece

## SPECIFICATIONS

Item No. 1-16627

Range	0.16 ft up to 200 ft (0.05 to 60 m)
Accuracy	± 1/16" in (± 1.5 mm )
Display	3 lines, illuminated
Power	2 x AAA batteries
Battery life	5,000 measurements
IP	IP54
Weight w/o batteries	0.20 lbs (90 g)
Size	4.4" x 1.70" x 0.99" (112 x 43 x 25 mm)
Warranty	2 years

The Agatec DM100 is the entry-level distance meter for professionals.

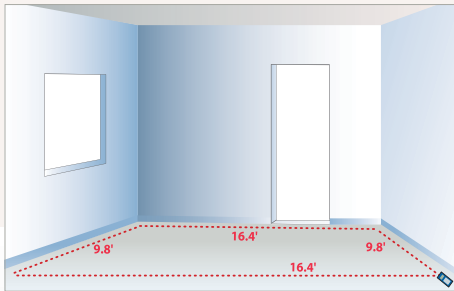

Designed to be handy and robust, it measures distances up to 100 ft. (30 meters) with an accuracy of 3/32" (2 millimeters).

Checking projects can now be done in a fraction of the time with precision and safety.

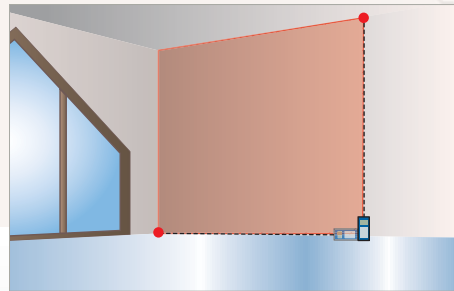

Easy and intuitive to use, it features linear measurements, instant area and volume calculations, at the touch of a button.

- Measures up to 100 ft (30 m) with 3/32" (2 mm) accuracy
- Easy to read dual line LCD display
- Measure from the front or back of tool at the touch of a button

Perimeter calculations are easier than ever with DM100's intuitive user interface.

Area and volume calculations are quick and accurate each an every time.
